

Saleem and Andera Hanna:

We appreciate your prayers for the upcoming Youth Conference, and please continue as we continue to make the plans and determine the workshops we are offering and those who will lead the workshops. Please continue your prayers for the team and our families, for the Lord's protection and provision.

Hani and Shifa Billan:

A while ago the Lord opened a door for us to minister to a family. Over time more people started showing up, some are extended family and others are family friends. Please pray with us that the Lord will touch their hearts and for guidance in their discipleship.

Ibrahim and Ekhlas Sadran:

Please pray for our children as they have exams. Especially, pray for our eldest, Heba, who is taking a big governmental exam that is very hard which will decide what subjects she is able to study at university.

Bshara and Randa Khazen:

We praise God for the the work of His Spirit in preparing the hearts of many new people and opening doors into new homes. With the added responsibility as Bshara is pastoring a church in a nearby village we trust that the Lord will give us the strength we need in order to glorify His name. Pray for us for wisdom and to stay strong in the Lord in order to carry out His mission faithfully.

Hanna and Lina Eid:

Please pray for the coming up months as the church will have several opportunities to reach out the our village. Pray for wisdom for us and for the Holy Spirit to make ready the hearts of the people to be receptive to His Word.

Elias and Rose Obeid:

We are excited about this year's "Seeing With New Eyes," which is an event that focuses on making new decisions and resolutions for the new year. Please pray for the women who attend to be touched by God and make life-transforming decisions.

The purpose of Christian HolyLand Foundation is to proclaim the Gospel of Jesus Christ throughout the Holy Land and its surrounding areas, and to establish and maintain a base of operations from which churches patterned after the New Testament order may be started.
