

Saleem and Andera Hanna:

The finances of our ministry are in trouble mainly because of the fluctuating exchange rate that is causing a lot of funds to be lost. It is important that you stand with us in prayer that the Lord can fix this situation. Please pray for clear direction for us in this season to know how to best serve the Lord. And pray for the CHLF board of directors, for wisdom, strength and good health along with clear direction to do what they are doing by for the team and the ministry.

Hani and Shifa Billan:

We are proud of the young generation in our church and ministry. We have seen many of them overcome many things and step into leadership roles. Please pray for us for wisdom as we guide them and walk alongside them and mentor them. Also, pray for them to keep growing in their love to the Lord and to be steadfast.

Also, pray for us as we prepare for this year's Vacation Bible School. We are excited about this year to see how the Lord will work and to see the young generation encounter Him. Please pray for the hearts of the children who will attend the VBS to be receptive to God's word. Also pray for our young people who will be leading the VBS to influence the lives and interests of these children.

Ibrahim and Ekhlas Sadran:

Children grow up fast, and ours certainly have too. Our second eldest daughter, Rajaa', is graduating high school this year and is praying for God's direction for the next phase in her life. Please keep her in your prayers for God to guide her and for her to walk in His will.

Also pray for our eldest, Heba, who is currently in the USA and will be returning soon. She went there to work on her musical skills. Please pray that she will remember everything she learned and that she will bring it into her playing at church to give God glory.

Bshara and Randa Khazen:

The churches we pastor in Bei'ne and in Ramah are scheduled to have a revival together this month on the 28th. Please pray that the Lord will fill every need, especially financially. And pray with us that this revival will be powerful and that we'll see many breakthroughs. Also, as we prepare for this summer's VBS, pray with us for special wisdom especially in the face of the many challenges added this year to the ones we already have.

Hanna and Lina Eid:

Please keep me and my family in your prayers as we balance our commitments and life. That He will keep our joy and peace and to keep us from evil. Pray for our ministry as we feel recently that the Lord is opening more doors for us to ministry with the people of our village, Eilabun.

Elias and Rose Obeid:

Last week we held the ninth annual training for women in ministry. We are glad to see women step into roles of ministry that only they can fill. The majority of the women who attended the training come from churches around the Galilee and do ministry with their local church's blessing. Two of the women, however, were new to the training. They came to the Mother's Day Celebration earlier this year for the first time and they want to do something for Jesus. Please keep them in your prayers, that the fire that burns in them will become infectious and that the Gospel will spread wildly through them. Also pray for all women in ministry in the Galilee; they are making an impact.

The purpose of Christian HolyLand Foundation is to proclaim the Gospel of Jesus Christ throughout the Holy Land and its surrounding areas, and to establish and maintain a base of operations from which churches patterned after the New Testament order may be started.
